3.	<p>In the “Section III – Evaluation and Prequalification Criteria, 4.2(a) Contract Management Experience”, it is stated that “The similarity shall be based on the physical size, complexity and technicality of the Works; similar contract of a railway line no less than 10 km, having more than 50 % at grade. Adding up small value contracts (less than the value specified under requirement) to meet the overall requirement will not be accepted. (Similar experience of working on design/construction/commissioning metros, LRT, tramways and passenger electrical railways projects).”</p> <p>Please kindly clarify the meaning of “50 % at grade”.</p>	<p>‘50% at grade’ means that 50% of the line should be at ground level (i.e. not elevated in viaduct or underground in tunnel).</p>																								
4.	<p>Please kindly confirm whether the Form ELI - 1.1: Applicant Information Form is mandatory to fill in if the applicant is Consortium or JV, because we can see that the information required in the Form ELI - 1.1: Applicant Information Form is almost same as that in the Form ELI-1.2 Applicant’s JV Information Form.</p>	<p>Please be noted that:</p> <ul style="list-style-type: none">- Form ELI-1.1 is for the JV Itself.- Form ELI-1.2 is for the JV’s members or specialized sub-contractor if any.
